Aleph Bet Jewish Day School

Supply List 2016 - 2017

Under each grade heading you will find two categories. The first includes items that will be used only by your child and should be labeled with his/her name. We have found that classroom routines progress more smoothly if some other items are shared communally. These may be generic or store brands (i.e. look for bargains!) and should not be labeled. A few more items may be requested as the school year progresses.
